Dear SABER community,

The 2020 SABER abstract committee is requesting volunteers to serve as reviewers for abstracts for this summer’s meeting. If interested, please complete the following google form by **Monday February 10th**.

We anticipate that reviewers will be responsible for reviewing between 5 and 10 abstracts, although this number will depend on the number of reviewers and abstracts submitted. We will give you an approximate 2-week window in which to complete these starting around March 20th. It is expected that individuals who submit an abstract (or who are advisors of individuals submitting abstracts) will also serve to review others’ abstracts as well. Creating the best meeting program possible requires that we have an active community willing to donate their time to this effort.

The committee is also working to organize the call for abstracts. We anticipate releasing this call around February 10th.

If there are any questions regarding serving as an abstract reviewer, please do not hesitate to contact us at [jamie.jensen@byu.edu](mailto:jamie.jensen@byu.edu).

Sincerely,

2020 SABER Abstract Committee
